In making the above disclaimer, no disclaimer is made of any terminal part of any patent granted on U.S. Patent Application Serial No. 10/699,529 prior to the expiration date of the full statutory term of U.S. Patent No. 7,150,182 in the event that U.S. Patent No. 7,150,182 should later: expire for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or be terminally disclaimed under 37 C.F.R. §1.321, have all claims canceled by a reexamination certificate, or is reissued, or is otherwise terminated prior to the expiration of its full statutory term except for the separation of legal title stated above.

The undersigned, an attorney of record in this application, is empowered to act on behalf of the applicant-inventors and assignee pursuant to 37 C.F.R. §1.321.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 8 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

A check in the amount of \$130.00 is enclosed. Any additional charges or credits should be made to Deposit Account No. 50-3591. Two (2) copies of this sheet are enclosed.

Respectfully submitted,

Michael E. Carmen
